Profile

Engineering graduate with strong programming fundamentals in Java and Python, and hands-on experience in designing, coding, testing and debugging software applications. Seeking an entry-level role where I can contribute to developing efficient and scalable software solutions while continuously learning and adapting to new technologies.

Education

Carmel College of Engineering and Technology , Alappuzha B.Tech in Computer Science and Engineering (KTU)	2022 - 2026
Thiruvambady Higher Secondary School , Alappuzha Higher Secondary Education (STATE)	2020 - 2022
St'Marys Residential Central School , Alappuzha Higher Secondary Education (CBSE)	2019 - 2020

Projects

Multimodal Depression Detection System | Python, Scikit-learn, NLP

- Developed a multimodal AI system integrating social media text and wearable sensor data for depression risk assessment.
- Utilized TwHIN-BERT for text feature extraction and LSTM-based models for wearable data processing.

Crop Intelligence Recommendation System | Python, Flask, React

- Built a crop recommendation system for Indian locations using real-time weather and historical data.
- We tackled the lack of data-driven crop selection by building a system that recommends suitable crops, improving yield.

Milk Management and Distribution System | React, TypeScript, PostgreSQL

- Developed a full-stack dairy management system with role-based modules and tracking.
- We tackled inefficiencies in milk distribution with an integrated system for ordering, delivery, farmer tracking, and payments.

Internship

AI/ML Intern | ICT Kerala, Trivandrum

Jun– July 2025

- Worked in a collaborative team of 4 on AI/ML model development.
- Gained hands-on exposure to real-world datasets, experimentation, and iterative improvements.

Skills

Programming	Python, Java, C, SQL
Tools	Git, Excel, Google Colab
Soft Skills	Collaboration, Adaptability, Problem Solving

Certifications

Programming in Java — NPTEL
SQL and Relational Databases — Cognitive Class
Python Foundation — Infosys Springboard
IBM Data Science Professional Certificate — Ongoing
